

**COMMERCIAL / RESIDENTIAL LIMITED WARRANTY**

**Product Coverage**

All Geoshield window film products are guaranteed with a limited manufacturer backed warranty for product failure or defect. Product failure or defect means peeling, bubbling, rippling, cracking, adhesive failure, delamination and demetallization. The warranty covers only professionally sold and installed Geoshield window film. The limited product warranty coverage varies depending on application and product. ATTENTION: NOTE IMPORTANT PROVISIONS AND RESTRICTIONS ON REVERSE SIDE. ATTENTION: YOU WAIVE ALL RIGHTS IN REDHIBITION BY PURCHASING THIS PRODUCT AND AGREEING TO THIS WARRANTY. APPLICATION MUST MEET FILM-TO-GLASS GUIDELINES FOR PRE-APPROVAL.

**Coverage for Glass Breakage or Seal Failure**

In addition to the limited manufacturer backed warranty for product failure or defect, Geoshield window films are warranted against glass breakage and insulated glass unit seal failure due to thermal stress and/or thermal expansion which results from approved window film applications of some films. Restrictions to Geoshield’s glass breakage and unit seal warranty include the RESTRICTED APPLICATIONS outlined on reverse. Replacement cost for glass is limited to \$500 per window with a \$25 dollar deductible per window. Geoshield reserves the right to have an agent of its choosing inspect the affected window and film before approving a claim. Buildings with a prior history of seal failure or thermal glass breakage are not eligible for coverage. In the event of multiple failures, Geoshield reserves the right to remove its film and compensate the customer for original invoice amount.

Coverage for glass breakage and seal failure is limited to the duration of the window manufacturer’s seal warranty or the time period of Geoshield’s unit seal warranty coverage, whichever is shorter. Coverage is void under any circumstances without proof of the window manufacturer’s warranty coverage and the original film installation invoice. YOU MUST HAVE A WINDOW MANUFACTURER’S WARRANTY AGAINST SEAL FAILURE THAT HAS NOT EXPIRED.

**Films Covered - Pronano 70 Ultra, Geo, Super Alloy, 20/20 & Solar Bronze**

## General Provisions

The warranty coverage begins at the time installation is commenced. Film or glass replacement does not extend the original warranty schedule. The warranty is limited to the replacement of materials. This warranty shall only cover the quantity of film product determined to be defective by Geoshield. This warranty is non transferable and is extended only to you (the original customer). This warranty is only valid if completed in its entirety. This warranty is the sole warranty and contains the entire warranty agreement between the parties and exists in lieu of any other warranty agreement, whether written or oral and whether provided by contract or law, including but not limited to any statutory warranties. Coverage is void under any circumstances without the original film installation invoice and manufacturer's warranty.

The provisions of this warranty are severable. If any term or provision hereof is illegal or invalid for any reason whatsoever such illegality or invalidity shall not affect the validity or legality of the remainder of this warranty. The laws of the State of Louisiana shall govern the validity of this warranty, the construction of its terms, and the interpretation of the rights and duties of the parties. The parties hereto agree that the State of Louisiana, the Parish of East Baton Rouge shall be the sole judicial venue for any and all claims arising out this limited warranty. You agree to submit the dispute to binding arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association. The arbitration shall be administered by the American Arbitration Association.

## Warranty Disclaimer

There are no warranties which extend beyond the description on the face hereof, nor are there warranties of fitness for a particular purpose or merchantability applicable to the film. This manufacturer's warranty does not cover improper or poor installation. Improper and poor installation techniques include, but are not limited to defective: squeegeeing, trimming and measuring. In no event shall the manufacturer be liable or responsible for any loss or damage, direct, indirect or consequential, except as expressly set forth herein.

This limited warranty is made in lieu of all warranties, expressed or implied, and is void if the product has been subject to abuse, improper installation and/or care. This warranty gives you specific legal rights and you may also have other rights which vary by state or province.
